

Score sheet for Hand and Foot

Three games of 4 rounds

Date _____

Books and going out. Each clean book (7 cards, no wild cards): 500. Each dirty book (7 cards, with wild cards): 300. Went out: 100.

What each card is worth, melded or left in a hand or foot. Joker: 50 melded, minus 50 left. 2 or ace: 20 melded, minus 20 left. King, queen, jack, 10, 9 or 8: 10 melded, minus 10 left. 7, 6, 5 or 4: 5 melded, minus 5 left. Black 3: cannot be melded, minus 5 left. Red 3: 100 when laid face up, minus 100 left.

After each round, write each team's book bonuses and going out, its red 3s, and its card points (cards melded minus cards left in hands and feet). Add them for the round score, then add that to the total. Scores can go below zero. The higher total after round 4 wins.
